Some comments on previous cruises:

A genealogy conference on the high seas? Not only do you get all the fun of a regular cruise, you have the opportunity to network with other family historians from all over the world. The best part: the lectures and educational presentations are offered by some of the leading speakers in the genealogy industry. And Unlock the Past Cruises has the best selection of destinations and speakers hands down! – *Thomas MacEntee, United States, 4th cruise presenter*

Only one thing beats a good genealogy conference, and that is a genealogy conference that offers a chance to see a bit of the world, to enjoy some top class entertainment, and above all else, meet many other people sharing a similar interest. It's also the perfect family holiday, with plenty of fun activities for your partner and kids to get up to on board whilst you're attending conference sessions! – *Chris Paton, Scotland, 2nd, 4th and 8th cruise presenter*
